

Goldvorsorge established itself as the most reputable brand in Austria since 2003.
For all matters on precious metals, subsidiaries are available all over Austria-
Discreet entrances provide personalized consulting and True Safety.

On the international level, the abbreviation GVS developed naturally out of Goldvorsorge.

Large minting institutions and globally active traders collaborate successfully with GVS ever since.
High-security vaults have been installed at the most popular financial centers.
Thus GVS now globally provides **True Safety** to all partners, customers and commercials.

GVS Austria e.U.	GVS Hungary Kft.	GVS North Europe OÜ	GVS Asia Pacific Pte Ltd	GVS Germany GmbH	GVS Serbia d.o.o.

Due to this international presence, several GVS trading branches have formed,
which together build the „GVS bullion group“:

The world map shows the following websites for GVS trading branches:

- goldvorsorge.at
- silbervorsorge.de
- goldsilberankauf.at
- goldsilvershop24.com
- shop.gvs-bullion.com
- aranykereskedes.hu
- gvs-bullion.com
- lingouri-de-aur.ro
- orofino.es
- orfín.fr
- rare-earths.eu

In the center of the map is the GVS bullion group logo.

GVS - Your strong partner in all matters related to precious metals.
